I agree not to copy or print any Say It Straight Copyrighted Material in any language. Furthermore, when I conduct Say It Straight Training (SIS), it will be consistent with the training I received from the Foundation, what is written in the SIS Trainer Manual, SIS Journals/Workbooks and what is on the SIS DVDs. I will strive to enhance the self-esteem and communication/behavior skills of the people I work with to empower them to honor themselves, others and issues as they arise. I will give an appropriate Say It Straight workbook/journal to each participant at the beginning of the training for cognitive reinforcement to their experiential training. When doing SIS training with students, I will obtain parental/guardian consent and student assent for voluntary participation, unless the training is part of a school curriculum that does not require such permission. After SIS training, I will administer an anonymous questionnaire to get feedback.

I will not train SIS Trainers until I am certified as a Master Say It Straight Trainer. I understand that to become a **Certified SIS Trainer or a Master SIS Trainer** I will follow the guidelines from the Say It Say It Straight Foundation as given on www.sayitstraight.org.
