- To reserve a place in a workshop, send a \$750 check made out to the Say It Straight Foundation or your agency can send a Purchase Order for \$750.
- Sign the agreement form below.
- If you wish to purchase the Say It Straight Training DVDs (SIS in the Classroom; SIS Student Support Group; SIS Family-Community), please inform the Foundation or order them on line on the Materials Page.

### TRAINEE AGREEMENT WITH THE SAY IT STRAIGHT FOUNDATION

I will conduct Say It Straight Training consistent with the training I received from the Foundation. I will strive to enhance the self-esteem and communication skills of the people I work with. I will give an appropriate workbook/journal to each participant at the beginning of the training for cognitive reinforcement to their experiential training. When doing SIS training with students, I will obtain parental/guardian consent and student assent for voluntary participation, unless the training is part of a school curriculum that does not require such permission. After SIS training, I will administer an anonymous questionnaire to get feedback. I will not train SIS Trainers until I am certified as a Master Say It Straight Trainer.

To become a **Certified SIS Trainer** or a **Master SIS Trainer** I will follow specific guidelines from the Say It Straight Foundation as given on [www.sayitstraight.org](http://www.sayitstraight.org).
